

Job Opening: Die Cutting Operator

Oliver Inc. offers a full range of creative, competitive, and reliable services that make it a one-stop solution for all of your **printing and packaging needs**.

With multiple production facilities located in the US, Oliver is proud to offer innovative and customized options to help you achieve your sustainable packaging goals.

If you can dream it, Oliver can do it! We think outside the **Box ...and Print** beyond!

Oliver Inc. is looking for an experienced, committed and passionate **Die Cutting Operator** to join our great team. The ideal candidate will have general knowledge of printing and operated as a die cutting pressman. The person will be responsible for setting up, adjusting, monitoring, and operating a die cutting machine: dismantle previous job, log impressions on saved jobs with date, press and chase number, or dispose of dies as marked, pull samples and glue set to check for accuracy, according to the specifications. The Die Cutting Operator will focus on continuously checking for accuracy and quality, monitor the machine, and correct problems. The person will be responsible for the quality of the die cutting of finished products.

If you want to be part of a people-centered great family culture company, do not hesitate to apply!
